The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting community project funding for the Recidivism Engagement Network Training & Retention Initiative in fiscal year 2024. The entity to receive funding for this project is Diphrent, Inc. located at 2270 Losee Rd, North Las Vegas, NV 89030.

The funding would be used to promote public safety and crime prevention for youth and young adults within the juvenile justice system who have been identified and classified as chronically absent, repeat offenders in the juvenile detention center, and those who are at risk of becoming negatively involved with law enforcement.

The project is a good use of taxpayer funds because by working within the North Las Vegas community, inclusive of schools, public officials, local businesses, civic organizations, foundations, families, and students, the vision is for the youth who positively graduate from the program to build stronger and safer communities, introduce valuable change within their schools and family systems, and create a sustainable future.

The project has a Federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congressman Steven Horsford
